## Piggy felt badge for kids

Felt badges are easy to put together and make great gifts for children. Older kids will be able to do a fair bit of helping with this project but young ones will be better off just watching.

Keep your little ones busy by cutting out a selection of felt shapes and having them arrange the pieces on a large piece of felt, stretched over a big book. Once they're absorbed in this activity you can set to work making this simple felt pig badge.

You will need

- wool felt in pink, pale pink, white and grey
- cardboard
- strong glue
- black permanent marker
- safety pin
- tape

Directions

1. Cut out pieces of felt and piece of cardboard from pattern.
2. Glue the cardboard backing onto the large head-shaped piece of felt.
3. Assemble the other pieces of felt on the head and glue them together.
4. Dot the eyes using a black permanent marker.
5. Tape a safety pin to the back of the cardboard.
